# Youth Work in Zorneding

We find it very important to keep Zorneding a place where children and young people feel comfortable and find a good environment to grow up. In addition to diverse opportunities available in our clubs with very active and committed youth groups, the community also supports youth work with its own facilities.

## JUZ – Zornedinger Jugendzentrum

The JUZ Zorneding is located next to the town hall at Wiesenweg 5 and is available for teenagers and young adults aged 13 to 27. Its usage is organized as independently as possible by the visitors.

The JUZ Zorneding offers a wide range of leisure activities on two floors and 250 square meters as well as an outdoor area. The facilities include billiards, table football, band practice room, party room, grill, games, TV/beamer, kitchen, WiFi and more. There are regular events for younger visitors, we inform about them mostly at schools.

The JUZ can be used in a variety of ways, for example as a meeting place for your friends, for school and class parties, as a concert location or for rent for private birthday parties.

# Information for Dog Keepers

Zorneding is a dog-friendly community with around 450 dogs living here. To ensure that it stays that way, we ask animal lovers to note the following:

It is not permitted to let dogs and other animals run free in community parks or to take them to children's playgrounds. Animals need to be held on a short line at public places.

Dog owners are obliged to register their older than 4 months old pets for dog tax at the town hall. The tax is €50 annually or €400 for keeping a fighting dog.

Basically, every dog owner must ensure that his/her four-legged friend's litter is cleaned up. There are a number of points where one can get special trash bags to dispose dogs' waste.
